**RULES BOOK**

**LAN GAMING**

## OVERVIEW

Passion of most engineering students, love of gamers and hobby of most is LAN GAMING. The enthusiasm of this word is enough to bring thousands together. LAN gaming basically comprises of a hub or party gathering of people with computer systems or compatible gaming consoles connected with each other primarily for the purpose of playing multiplayer video games together.

The heat of the moment, the sound of the clicking keys, the split second decisions and the blurring sceneries is all that's needed to set these gamers jumping on their heels.

## RULES

## QUIZ

### OVERVIEW

It is all about the knowledge you have got. It may include anything from the daily basis activities you do or the extraordinary things you know. It may be any actor or actress from the movie you have to identify, or about your favorite singer.

From general knowledge to daily soaps, from Narendra Modi to Ranvijay singh. All you need to do is to register yourself and show how inclined you are towards your surroundings, it's the time to show people always blaming you about being a drama queen or a king who can do anything except the productive things, show them how capable you are!!!

It is a competition where you will be given a set of questions and the one with highest marking will win the battle!!!

### RULES

- **ENTRY FEES- RS. 30/- PER HEAD**
- Total team members – 3
- No. of rounds – 3

### Round 1

- Each team will be provided a written paper consisting of 30 questions.

### Round 2

- Qualifiers of Round 1 are selected for Round 2.
- General questions of current affairs will be asked

### **Round 3**

- Qualifiers of Round 2 are selected for Round 3.
- They will be provided the picture puzzles to solve.

## **CONFERO (DEBATE)**

### **OVERVIEW**

It is the famous part amongst the politicians where they come and prove their point with the points they have, but here we will use only language as the way of expressing not anything else! So, come up with your point of view and prove it in the best way using your gestures and points.

So come here with the preparation for the preannounced topics and showcase yourself in the best way! You can choose any side “favor” or “against” and prove yourself with the beautiful required expressions. A panel of judges will be there to judge you on all the general parameters and who proved his points in the best way will be the winner!

Register yourself with us and get exciting winning prizes with an exciting platform.

### **RULES**

- **ENTRY FEES- RS. 30/-**
- A single entry competition
- Your content should be relevant to the topic
- You have to go either in favor or in against the topic
- Time limit of 5 to 7 minutes
- After the completion of views , any person from the audience and judges may ask the question about your topic

## **TREASURE HUNT**

### **OVERVIEW**

Everyone of you must have watched the movie 'Journey to the Centre of the Earth', quite an exciting journey the viewers also had!!

So, a smaller version of that movie, filled with excitement and hurry! The biggest enemy will be time and the best friend will be how quick you do the things and the approach you can manage at that time.

It is a group event and a quiz will be given to the participants and all you need to do is to solve it first and then hunt for the treasure! It will have some of the daily usable things or the rarely used things as well!

So, come up with the team and then win the exciting prizes.

### **RULES**

- **ENTRY FEES- RS. 30/- PER HEAD**
- Each team will consist of 4 members
- The event will be executed in 2 rounds
- In round 1, teams have to collect the given items in the allocated time
- Shortlisted teams from the first round will go for the clue round
- In clue round, the team finding the last clue first will be the winner.
